

OSA-3531-63

12 JUL 1963

MEMORANDUM FOR: Chief, Support Division, OSA

SUBJECT : Medical Examination Expenses -  
Contract Guard Applicants

REFERENCE : OSA-0082-63, dtd 25 Jan 63,  
Subj: Contract Guards

25X1A 1. We are in possession of 19 applicant files produced from a recent recruitment effort in the Tacoma, Washington, area. Following the policy established in referenced memorandum, which has as its objectives economy and the shortening of EOD processing time, arrangements have been concluded with the Medical Staff to support the medical examinations of these individuals in Seattle, Washington, by [redacted] Medical Consultant to the Medical Staff. The Medical Staff advised that they could not pick up the medical fees, which would be \$40 per examination; however, if we scheduled their medical examinations and other processing in Washington, D. C., on a cost basis alone, travel and per diem would amount to approximately [redacted] if we pick up the fees for the medical examinations.

25X1A 2. In view of the above considerations, it is requested that you approve the reimbursement of subject fees. The procedure will find [redacted] billing the medical office and they in turn, through our Budget and Finance Division, charging the cost to our allotment.

25X1A 25X1A 3. For your information, attached is a letter being submitted to the [redacted] applicants. Further, we have been assured by C/SS/OSA that appropriate [redacted] representatives will be available to conduct that processing in the Tacoma or Seattle areas. And [redacted] of the Medical Staff has promised like assistance for conducting the emotional-stability review.

25X1A [redacted]  
Chief, Personnel Branch  
OSA-DD/R

25X1A [redacted]  
Chief, Support Division, OSA
